Mexico Student Shot by Police

MEXICO CITY, Nov. 19 (AP)—Authorities held a policeman in custody Monday after a 19-year-old student was shot to death while painting antigovernment slogans on a wall.

The dead youth was Luis Gonzalez Sanchez, a medical student at the National University of Mexico. The man held was patrolman Julio Martinez Jiminez, 33.

More than 50 persons have been announced as killed in battles between students and government forces since late July.
